

Immunization Requirement

All students are required to complete a **Hennepin Technical College Student Immunization Record form** (unless they meet exemptions 5 and/or 6 below). Minnesota State Law (Minn. Statute 135A.14) requires that students born after December 31, 1956, must be immunized against:

- Tetanus/Diphtheria (Td): once every ten years
- Measles/Mumps/Rubella (MMR): One dose given on or after first birthday (for complete protection against measles, a second MMR is recommended)

You are required by law to provide Hennepin Technical College with the month, day and year of your immunizations on an HTC form/eForm. Fill out all sections that apply to you and return it to Hennepin Technical College Enrollment Services by mail or in person, or submit the eForm online. **Anyone enrolled at Hennepin Technical College who fails to submit the required information within 45 days of the beginning of the semester cannot remain enrolled.**

Note: Student signature is not required when forms are submitted via the Hennepin Technical College eForm found at hennepintech.edu/current-students/forms.html. However, Physician and/or Notary signatures ARE REQUIRED in the case of Part 4: Other Exemptions. Forms signed by a Physician and/or Notary may be submitted to HTC in person, mailed, or as an attachment to the eForm submitted online.

To find out whether you are adequately immunized against these diseases and the dates of your immunizations, check with your parents, family physician, or high school immunization records. Call your high school or doctor's office for assistance if necessary. If you cannot produce the information or have not been immunized according to the law's requirements, schedule an appointment with your physician or clinic today.

Exemptions

Exemptions are permitted under the following conditions:

1. Recent Minnesota High School Graduate Exemption

Students who graduated from a Minnesota high school in 1997 or later are exempt. If this applies to you, complete Part 1 of the immunization form.

2. Transfer Student from another Minnesota Postsecondary Institution

Students who have met the admission requirements as an enrolled student at another Minnesota postsecondary institution are exempt. If this applies to you, complete Part 2 of the immunization form (note: depending on the situation, you may be required to complete other sections as required).

3. Medical Exemption

An immunization may not be medically advisable for certain persons. If this applies to you, or if you had any of these diseases, Part 4 of the immunization form must be signed by your doctor.

4. Conscientious Exemption

Some people may be exempt from immunizations based on their religious or other conscientiously held beliefs. If you request a conscientious exemption, you must complete and have notarized the bottom portion of the immunization form.

No action is required for the following exemptions. However, if you plan on enrolling in multiple courses/on-campus, this form must be on record, or you will not be allowed to enroll.

5. Enrolled in Only One Class

Students who will enroll in one class only are exempt from this requirement.

6. Online Student

Students who will enroll solely in online classes are exempt from this requirement. *NOTE: If you are in an online-only program and will never take courses on campus, but you are unable to register due to an Immunization Hold, you may either submit this form, or contact HTC's Registrar's Office to discuss other possible options.*

STUDENT IMMUNIZATION RECORD

Immunization information must be submitted before you can register for courses
