3. New Business

A. SLB Budget

We have a trail balance of \$472,927.62. We project to collect \$216,240 this fiscal year. Stephen and Sheila proposed that we start with an operating budget of \$390,000 for the Student Life Board and the remaining amount will be in the reserve account. After subtracting out already approved allocations, this will leave a balance of \$21,018 in the Student Life budget before today's funding requests. If more is needed, we can move more dollars from the reserve account. Stephen and Sheila will be meeting with Finance to confirm these numbers later in the semester.
