- Review of 30 day policy

- Vote on changes to bylaws for senate to appoint a vacant position with few months left in the year  
Motion made by Lupe to change language in the Bylaws to state that “if there are less than three months left in the semester, the senate is at liberty to appoint a new member”.  
Rational: At this point in the year, the senate usually starts elections for the upcoming year. Holding two separate elections may be overwhelming for students.
