## Minnesota General Education Transfer Curriculum (MnTC)

The Minnesota Transfer Curriculum is a collaborative effort among all Minnesota two and four year public colleges and universities to help students transfer their work in general education. Completion of a defined transfer curriculum at one institution will enable a student to receive credit for all lower division general education requirements upon admission to any other cooperating institution. Students who complete the transfer curriculum will be certified in the ten areas of competency.

## Transfer Credit

The names of transfer institutions are listed in the upper left corner of the transcript. Transfer grades are not computed in the cumulative GPA.
